The Mouse and the Motorcycle Chapters 9-10

- 1) What is the main idea of Chapter 9?
- 2) Ralph is in a hurry to grow up. Are you ever in a hurry to grow up? What are some grown up things you wish you could do?
- 3) Why do the mice have to depend on Keith for food?

Vocabulary:

Fragrance: a pleasant or sweet smell

Pandemonium: wild or noisy disorder; chaos

Exterminator: a person who kills or gets rid of rodents and insects

Perch: to sit upon, often high up or on the edge

Aspirin: a type of medicine used to lower fevers and help pain

Menu for a Mouse:

If you were a mouse what kind of things would you want from room service? Create a room service menu that a mouse might like to order from. You can add pictures or description words to the menu to help your mouse friends decide!
