An Update from the Friends of PYPL

Pat Selwood, Friends of PYPL

What a year the Friends had! The year began with a very generous donation from Dr. Loan and continued to be a very good year in terms of people and financial resources. In March the Annual Meeting was highlighted by the presentations of historical figures by Merrill Race and Anita Gaston. Then we focused on getting ready for the Annual June Book Sale which turned out to be the best ever financially, raising over \$2,700. Then in July efforts were focused on helping with some of the summer programs at the Library, hosting the Business After Hours for the Chamber of Commerce, and staffing a successful booth at the Yates County Fair.

In August we provided golf carts for the Cemetery Tour, recognized library volunteers with gift certificates, and voted to support the Foundation for Southern Tier Libraries with a donation in recognition of their support for the bike repair station. Our Scarecrow Contest entry won \$100 in October and then we embarked on a successful membership drive to end the year. However, we continue to be interested in more new members! Thank you for all your support – watch for information about this year's Annual Meeting, April 19, that will feature readings from the new literary magazine, *Bluff & Vine*.

The Library collection offers something for everyone.
