## Penn Yan Public Library Monthly Youth Services Report to Board

## AUGUST 2023 IN REVIEW

August was a whirlwind of programs and steady traffic in and out the door. Some of our last programs of the month were with two old favorites, the Shaka Shave Ice truck and local musician Tom Sieling, who both visited on August 18. We had an excellent summer youth employee provided by Workforce Development, and with her assistance, I was able to complete the weeding of the juvenile nonfiction and identify gaps in the collection. I will be focusing on adding new, high-interest titles to this collection.

## MEETINGS/TRAININGS ATTENDED

- Penn Yan Afterschool Coalition virtual meeting
- Al in the Library webinar from STLS
- Met with the Living Well re: Community Innovation Center programming
- Penn Yan Middle School Open House
- Sign, Baby, Sign! webinar from FLLS

## NOTABLE PATRON INTERACTIONS

- connected a patron with extra garden produce to a Meals on Wheels driver

## AUGUST 2023 PROGRAMS

In-person programs: 15 Attendance at in-person programs: 613

## NOTES

We wrapped up summer reading on August 18. For the reading component, we had 135 who registered. They read for a total of 624 hours, earning 312 books. Those numbers are a bit down from last year, which, anecdotally, seems to have been the case for some other libraries locally. As you can tell from the attendance numbers, there was still plenty of program participation.

After three days of the new school year, we are averaging about 10-20 youth in the building beginning around 2:30pm, mostly seventh graders with some new sixth graders mixed in. We will be having our traditional afterschool pizza party on the 12<sup>th</sup>, where we take the opportunity to talk to these youth about using the library appropriately, what kinds of programs and materials they are interested in, and just generally get to know them.

Patrons and employees will have access to and the right to use the restroom most closely corresponding to their gender identity. Gender identity is demonstrated by a consistent assertion of the gender identity by each individual, regardless of the individual's assigned sex at birth. We affirm that each individual knows their own gender identity best, and we will not impose bathroom use restrictions on anyone on the basis of their outward gender expression. For definitions of terms related to gender used by the Library, (See Appendix P.)

#### 8.2 Suspension of Library Privileges

If an individual Library patron does not comply with staff direction, repeatedly violates the Code of Conduct, and/or the Computer Use Policy or displays behavior that is inconsistent with activities such as reading, studying, use of library materials, quiet conversation, and other similar conduct normally associated with the use of public library facilities they may have their Library privileges suspended.

#### Major Violations of the Code of Conduct

If any Library staff members determine that a patron is exhibiting behavior that is illegal, dangerous to others, destructive to any property, or is so disruptive that it is immediately unacceptable, they may restrict access to the Library building and grounds with immediate dismissal. Law enforcement will be contacted for illegal behavior and/or if the patron refuses leave after being told to do so.

Staff will fill out an Incident Report (See Appendix Q.) When applicable, the Executive Director and/or the Youth Service Director will follow through with the *suspension of library privileges process* (See below). Staff will not be responsible for anyone who is dismissed from the Library and/or grounds due to their behavior.

#### **Ongoing Violations of the Code of Conduct:**

Using their discretion, if any Library staff member determines that a patron is currently or over time continually violating the code of conduct, the following process may be carried out.

#### Suspension of Library Privileges Process

-**First violation**: Two verbal warnings will be given to the patron by any staff member. Staff will inform the patron that any subsequent violation will result in suspension from the premises. Staff will fill out a *mini or a regular incident report (See Appendix Q.)* and submit it to the Executive Director in the case of an adult patron, and in the case of a youth, to the Youth Services Director.

-Second violation: After the two immediate warnings or an additional warning at a subsequent visit, the patron may be suspended from the premises for one day (24 hours). Staff will fill out a *mini or a regular incident report* (See Appendix Q.) and submit it to the Executive Director for adult patrons, and in the case of a youth, to the Youth Services Director.

-Third violation: After a 24-hour suspension, if a patron continues to violate the Code of Conduct at a

subsequent visit to PYPL, staff members may suspend their library privileges for seven days. Staff will fill out a *mini or regular incident report* (See Appendix Q.) and will submit it to the Director in the case of an adult patron. In the case of a youth, staff will submit the incident report to the Youth Services Director. The Executive Director will attempt to send a written notification (See Appendix I.) to an adult patron and the Youth Services Director will attempt to send a written notification to the youth's parent/guardian (See Appendix I.), or notify them in another manner (email/phone).

-Fourth violation: After a seven-day suspension, if a patron continues to violate the Code of Conduct at a subsequent visit to PYPL, staff members may suspend their library privileges for one month. Staff will fill out a *mini or regular incident report* (See Appendix Q.) and will submit it to the Director in the case of an adult patron. In the case of a youth, staff will submit the incident report to the Youth Services Director. The Executive Director will attempt to send a written notification (See Appendix I.) to an adult patron and the Youth Services Director will attempt to send a written notification to the youth's parent/guardian (See Appendix I.), or notify them in another manner (email/phone).

-Fifth violation: After a one-month suspension, if a patron continues to violate the Code of Conduct at a subsequent visit to PYPL, Staff will fill out an *incident report* and submit it to the Executive Director who may suspend their library privileges for up to one year depending on the severity of the noncompliance. A written notification (See Appendix I.) of the suspension will be sent by certified mail to address on record for the patron by the Director.

If the suspended patron chooses to return to the Library once the suspension period has expired, he or she must abide by the Code of Conduct and the Computer Use policies. Any future violations may result in a progressively longer suspension.

Returning to library premises prior to the end of one's suspension is an act of trespassing and will result in staff contacting local law enforcement.

Patrons have the right to appeal a suspension of Library privileges to the Library Board in writing within 10 days of the written notification of the suspension being sent by certified mail. The Library Board will consider the suspension decision based on whether or not the suspension conforms to the criteria set forth in this policy at their next regular meeting.

#### 8.2.1 Suspension of Children's and Youth's Library Privileges

A youth/child (a patron under 18 years of age) whose library use is suspended may again use the library during the suspension period only when accompanied by a responsible parent or guardian and after prior discussion with the Executive Director.

#### 8.3 Unattended and Disruptive Children/Youth

Penn Yan Public Library welcomes and encourages children to use materials and services. As libraries are essential to the lives of children, we strive to provide useful, safe and inviting spaces for youth.

However, neither the Library nor its staff members act in loco parentis (in place of parents). The Library is a public facility which is open to everyone and parents and caregivers are expected to accompany children in need of supervision on Library visits to ensure the safety and well-being of the children. At

all times, whether they are present or not, parents/caregivers are responsible for their child's behavior, safety, and supervision

The library is not a substitute for child care or after school care. The library is not equipped- and it is not the library's role- to provide long or short-term care or supervision. Children under the age of 10 must be accompanied by a caregiver at least 13 years of age.

If an unattended child in need of supervision appears to be lost or is waiting for a parent or caregiver at closing the library staff will attempt to locate the parent or caregiver. If the parents or caregivers cannot be located, the child may be placed in the care of the local law enforcement agency.

If an unattended child in need of supervision is being disruptive, or if, in the judgment of Library staff, the child's safety or that of others is jeopardized, then Library staff retains the right to tell the child to leave the premises. (See Section 8.2, Suspension of Library Privileges.)

The Library and its staff will not, under any circumstances, be responsible for determining whether an apparent caregiver, custodian or parent is a legally authorized caregiver, custodian or custodial parent of the child. Library staff will not be responsible if unattended children of any age leave the library alone or with other persons.

The Penn Yan Public Library is released from any and all liability with regard to this policy. Parents, guardians, and caregivers acknowledge the risk of leaving a child unattended in the Library and release Penn Yan Public Library from all claims which they may have or which they may have on behalf of their child/ward.

#### **Appendix P**

#### **Gender identity**

One's innermost concept of self as male, female, a blend of both or neither – how individuals perceive themselves and what they call themselves. One's gender identity can be the same or different from their sex assigned at birth.

#### **Gender expression**

External appearance of one's gender identity, usually expressed through behavior, clothing, body characteristics or voice, and which may or may not conform to socially defined behaviors and characteristics typically associated with being either masculine or feminine.

#### Transgender

An umbrella term for people whose gender identity and/or expression is different from cultural expectations based on the sex they were assigned at birth. Being transgender does not imply any specific sexual orientation. Therefore, transgender people may identify as straight, gay, lesbian, bisexual, etc.
