Featured Program

Community Stuff Swap & Outreach Fair

Weds., Jun. 26, 5:30-7:00 pm

It's back and better than ever! PYPL's No Shop Stuff Swap returns for the third year running, this time with bonus features. Like in previous years, members of the community are welcome to clear out their closets, attics and basements to bring clean, useful, usable items to the library for others to freely take - helping to declutter our lives, keep items out of the waste stream, and get them into the hands of people who can use them. In addition, this year we're inviting representatives from local service organizations to table at these events, offering another layer of value and connectedness! There may be a few other surprises, too. This kickoff session is timed to coincide with debut of this year's Yates Concert Series, so if you're heading downtown for the music, stop by the library to browse! Questions? Call 315-536-6114 and ask for Alex.
