August 2024 adult services report

At least 179 patrons participated in 19 programs in August. Arts & Drafts and Pot Luck Club continue to be big-ticket winners for us, drawing 12 participants each last month. In addition, 51 people attended the No Shop Stuff Swap in August, availing themselves of free household good, information from SNAP-Ed and Yates County Master Gardeners, and repair experts in fabric mending, bike repair, and stringed instruments. If you'd like to participate in the final Stuff Swap of the year by bringing clean, useful and useable items for September 28, see me!

We finalized the addition of Ithaca Sciencenter passes to our "Experience Library" collection last month, joining the Empire Passes and Corning Museum of Glass passes.

STLS provided voter registration materials late in the month that we've just put out. We can report more on whether people are availing themselves of that next month.

Penn Yan Public Library Monthly Youth Services Report to Board

AUGUST 2024 IN REVIEW

We wrapped up another summer of reading encouragement and fun on August 16. Between June 28 and August 16, ninety-two readers logged a total of 538 hours of reading, which means they earned 269 books to take home and keep. We also had sixty-three programs that were attended by 1,140 people. I'm pleased with those numbers, given that we had poor weather during both our opening and closing events, which were both intended to be outdoors and had to be moved indoors. Take-home kits and passive programs were big hits all summer long, and I hope we can collaborate with the DRIVE program again when it comes to pre-assembling next year's kits. We almost completely depleted our supply of give-away books, so it's fortunate that I was able to obtain more funding from the Yates County Youth Bureau to enable us to purchase more for next summer.

MEETINGS/TRAININGS ATTENDED

- Demystifying Misinformation webinars from STLS
- STLS Youth Services Advisory Committee webinar
- Free ukulele lessons at the Naples Public Library

AUGUST 2024 PROGRAMS

Programs: 25

Program Attendance: 374

Passive Programs and/or Take-Home Kits: 385

NOTES

Thanks to Angela for giving me the opportunity to sign up for the free ukulele classes offered by the Naples Library. With lots of practice, my ukulele skills will hopefully improve and add a fun element to youth programs like Toddler Dance Party or Storytime.

As of this writing (the third day of the new school year), our afterschool kids are mostly freshmen, with a sprinkling of sixth graders. We'll have our annual "welcome to the library, here's how to behave if you want to stay at the library" pizza party on Monday, September 9, and will follow that with other programs like a weekly Youth Empowerment group hosted by Safe Harbors of the Finger Lakes, the return of Moment of Science (homeschool enrichment), and a Constitution Day evening family program featuring guest readers from the Daughters of the American Revolution.

2.11 Nursing Mothers

Employees who are breast feeding will receive time on a daily basis, with either unpaid leave for part-time hourly employees or paid break time for fulltime and salaried employees, to express breast milk for their nursing child for up to three years following child birth. Employees who are nursing mothers may take breaks at least once every three hours to pump breast milk. Employees can take these breaks right before or after their regularly scheduled paid break or meal periods. PYPL will make a reasonable effort to provide a room or other location in close proximity to the work area where the employee can express milk privately. The Library is not obligated to ensure the safekeeping of the expressed milk.

New law notes

Effective June 19, 2024, all public and private employers must provide paid 30-minute breaks each time an employee needs to express breast milk. Labor Law § 206-c. Under prior versions of Labor Law § 206-c, employers had to allow employees to use paid or unpaid break time for lactation. Under this new amendment, employers must provide paid breaks of up to 30 minutes any time an employee has "reasonable need to express breast milk" for up to three years following the birth of a child. If an employee needs longer than 30 minutes, they must be permitted to use their regular break or meal time to supplement. Notably, an employee can choose to take their available 30 minutes immediately before or after a regularly scheduled break. Employees intending to take advantage of this benefit must give their employer advance written notice. Employers must respond to that request within five days and must arrange for a lactation space.
